Do NOT forget that September 30 is orphan work day in South Carolina.

UNLESS you bear with the faults of a friend you betray your own.—Syrus.

BETWEEN politics, baseball and the war, the flood sufferers have almost been forgotten.

THERE'S no use for Henry Ford to sue a newspaper for damages. They can't afford to pay!

To "laugh and grow fat" is all well enough for a phrase. But when you get fat you get laughed at.

ALL of the successful candidates were elected by "rousing majorities," whatever they mean by that.

WHOLESALE purchase of the electorate has been supplanted by the wholesale deception of the "mob."

WHEN Secretary of War Baker came south on his speaking tour he found the Solid South as solid as ever.

THERE were a lot of fine vacations cut short on account of the threatened railroad strike. "It's an ill wind," etc.

Now they are talking of condensing the Ten Commandments to suit "busy people." But what's the use? So many people don't know (or care) what they are, anyway.

AMONG the questions recently asked his pupils by a school teacher near Pickens was, Name three great men. One pupil's answer was, George Washington, Cole Blease and Sam Craig!

"A PENROSE by any other name would smell as bad," says The Pickens Sentinel. Wrong! Transylvania's Penrose is superb.—Brevard News. We were referring to the Pennsylvania brand.

WE'RE so glad the Congressional Record has ceased publication for a while, because we won't have to read those "Extension of Remarks" of Congressman Dudley Dolittle of Kansas any more.

ONE reason why we cannot give more to foreign missions is because some of our most enthusiastic believers in foreign missions also believe in foreign printing and send their printing orders out of town.

'Tis said that the Philadelphia mint is going to turn out a million or so of new silver dimes this week. The new design is said to be very striking. We wish about a dozen or so of them would strike us about now.

WITH nearly all of Europe a smashed pile of junk, Republican spellbinders would have the people believe that "after the war" the victorious nation will come over and pounce upon America. Rot, all rot, pure and simple.

THAT Georgia millionaire farmer, Jim Smith, about whose wealth there has been such a rucus, was certainly a fortunate man in his lifetime. According to some of the claimants for his money he had three mothers. Most of us are lucky to have one.

CANDIDATE HUGHES may personally favor organized labor, but his party does not. He gets his orders as to where, when and to whom he shall make speeches from the bosses. And a Labor Day speech was not on the party bosses' program.

HON. CHARLES A. LINDBERGH, congressman from Minnesota, says it is the plain truth that "neither of the dominant political parties, as at present led and manipulated, is fit to manage the destinies of a great people." Therefore it is plain as daylight that this government should be turned over to the Hon. Charles A. Lindbergh of Minnesota.

SEVERAL North Carolina newspapers are arguing that all pistol-toters should be placed in jail for at least five years, out some of them object on the ground that there would not be jail room. But if the average pistol-toter knew that a term of years on the chain-gang awaited him wouldn't he positively refuse to tote one? He sure would.

OUR WEEKLY RIDDLE.—Why is a man who has nothing but his illustrious ancestry to boast of like a potato?

The only good belonging to him is under ground.

# First Showing Fall and Winter Shoes

Our fall and winter Shoes are coming in early and our stock for fall and winter will be larger and more complete than ever before.

We bought our winter Shoes early this season and have saved over twenty-five per cent. by buying as early as we did.

The leather market is very high, and shoes will be much higher in price than they are today, but most of our entire stock was bought at the old prices and we will not advance prices on the shoes we have bought.

We are carrying lines of shoes that we consider the best on the market, all solid leathers, and the best workmanship.

Our line of Work Shoes are the old renowned "Battle Axe," and Endicott, Johnson & Company's for boys, men and women.

Walk-Over for men, the best line in America, from \$3.50 to \$5.00.

The H. C. Godman Company's line for women and children, every pair solid.

In the nicer shoes for women and children, we carry R. T. Wood & Company's for children and misses, Zeigler for ladies.

All we ask is for you to look over our stock before you buy your Fall Shoes, and we are convinced we can save you money on every purchase.

Yours truly,
